PRICES EFFECTIVE
FEBRUARY 23, 2013

Prices are applicable to items in Catalog 1200. Catalog page numbers are shown under the column headed "Cat Page".

Certain stock numbers have been changed since the printing of the catalogues. The revised stock numbers appear in brackets [(1)] directly after the tool description. Please use these new stock numbers when ordering. Prices will be found in their proper numerical and alphabetical sequence.

Tools or equipment found to be defective in material or workmanship will be replaced or repaired cheerfully. However, no such return is to be made without prior authorization. Under no circumstances can we accept the return of tools or equipment for credit. Transportation and insurance charges for all tools or equipment returned for replacement or repair will be for the account of the shipper.

Prices shown for Electrical Equipment are for standard models only. Prices or models having special electrical characteristics will be furnished on request.

These prices supersede all previous price listings and are subject to change without prior notice. All shipments will be invoiced FOB Crystal Lake, Ill. at prices prevailing at the time of shipment. A packing charge will be made for Large or Delicate units which, by their very nature, require special preparation to assure safe arrival (such as wooden boxes, etc.).
